(225) In the matter of GFG - DOCKET NO. 94.11.52; an order has been prepared which approves the stipulations entered into between GFG and MCC and GFG and MPC. The GFG MCC stipulation results in a decrease in base rates of \$250,000. It also approves a surcharge associated with the manufactured gas site, as well as an increase in the NIP loan surcharge. Rates are to be effective for service rendered on and after July 1, 1995. Commissioner Anderson moved to approve the stipulation and grant Final Order No. 5813A. Commissioner Rowe seconded the motion, which passed unanimously.

(226) In the matter of CITY OF RONAN - DOCKET NO. 95.4.16; on April 13, 1995, the City of Ronan filed an Application with the Commission requesting a sewer rate increase to provide revenues to defray increased operation and maintenance expenses and to repay a loan from the State Revolving Fund taken to conduct capital improvements to the system. The proposed 53% increase will generate approximately \$59,000 in additional annual revenues. A Notice of Opportunity for Public Hearing was issued April 18, 1995, with protests and requests for hearing due by May 17, 1995. No protests or requests for hearing have been received. Commissioner Rowe moved to approve Unprotested Order No. 5850. Commissioner Fisher seconded the motion, which passed unanimously.

(227) In the matter of the town OF NASHUA-DOCKET NO.95.4.20; On April 26, 1995, the Town of Nashua filed an Application with the Commission requesting a water rate increase to provide revenues to repay a loan taken to finance a water system improvement program. The proposed 32% increase will generate approximately \$11,022 in additional annual revenues. A Notice of Opportunity for Public Hearing was

issued May 2, 1995, with protests and requests for hearing due by May 22, 1995. No protests or requests for hearing have been received. Commissioner Oberg moved to grant Default Order No. 5851. Commissioner Rowe seconded the motion, which passed unanimously.

(228) In the matter of USWC-DOCKET NO. N-95-27; On March 29, 1995, USWC filed Tariff Transmittal 95-8 for authority to revise its tariffs. The revisions clarify the prohibition of the arbitrage or avoidance of toll and/or access charges by use of overlapping Extended Area Service locations and local service features. Staff recommends approval of this filing. Commissioner Fisher moved to approve the tariff filing. Commissioner Rowe seconded the motion, which passed unanimously.

(229) In the matter of MDU-DOCKET NO N-95-43; On May 15, 1995, MDU filed for authority to revise its Special Interruptible Gas Transportation Service tariff - Rate 80. Currently, Rate 80 is applicable to gas transported for electricity generation at MDU's Miles City and Glendive combustion turbines. MDU proposes to make Rate 80 available to its steam generating unit at Sidney. MDU also proposes to remove the fuel charge component from Rate 80. The fuel charge component of MDU's transportation rates is designed to recover costs associated with gas losses on MDU's distribution system. Since Rate 80 is for transmission level service, the fuel charge is not applicable. Commissioner Oberg moved to approve the request for authority to revise tariff - Rate 80. Commissioner Rowe seconded the motion, which passed unanimously.

(230) In the matter of USWC - DOCKET NO. N-95-40; On May 3, 1995, pursuant to its ISDN tariff, USWC filed for approval to provide an ISDN line to the Margret Leary School in Butte. Commissioner Fisher moved to approve the ISDN tariff. Commissioner Rowe seconded the motion, which passed unanimously.

(231) In the matter of USWC - DOCKET NO. N-95-42; On May 16, 1995, pursuant to its ISDN tariff, USWC filed for approval to provide an ISDN line to the Montana Department of Insurance in Helena, Montana. The contractual terms and prices for this application are the same as those previously approved for St. Patrick's Hospital in Missoula. Commissioner Oberg moved to approve the ISDN tariff. Commissioner Rowe seconded the motion, which passed unanimously.
